Harry's Viewpoint

ON BEHALF of our chairman, directors, staff and players, I firstly this afternoon want to welcome supporters to a new Football League season at Turf Moor.

We received tremendous support from our fans last season and after some testing times we were able to rally in memorable fashion. We thank our followers for the valued backing they gave us, and our aim now is carry on where we left off at the end of last season.

Although, unfortunately, we have received a number of injuries during the build-up period to today, our first team and reserve side have benefited greatly in general terms from a total of nine pre-season fixtures. Now we go into the season proper with confidence high. We have a marathon season ahead of us, and our preparations on and off the field have taken into account the fact that we have to cater for approximately nine months of intense competition.

WELL EQUIPPED

I believe that in Peter Noble we have a club captain who will again prove an inspiration to the side, and the first team squad generally is well equipped in my opinion to meet the demands which lie ahead.

One of the main things to my mind is that everyone should pull together. I have no doubt at all that this will again apply for we have a grand team spirit at Turf Moor and our supporters are second to none. Believe me, I really mean that sincerely, and everyone at the club is highly appreciative of the way supporters stood four square behind us during the problem days of last season. I believe the season ahead will bring us a lot of satisfaction and I can assure you that it will be our aim to play attractive, entertaining, successful football. The Second Division will be a good league this time, with no lack of quality and a great deal of competition. I feel that we are capable of holding our own against any opposition, the players are very dedicated indeed and their effort, application and skill will certainly stand us in good stead.

ATTRACTIVE

We could not have more attractive opposition today than that provided by our neighbours Bolton Wanderers. We welcome their chairman, directors, manager Ian Greaves, players and all supporters. For the second successive season they just missed promotion back to the First Division and are bound to be a force again in Division Two. It could be a very good match indeed this afternoon and we are determined to kick off with a good result. Next week we visit Sunderland and Stoke who were both in the First Division last season.

PROGRESS

On the injury front, Tony Morley continues to progress after the ankle tendon strain which kept him out of three Anglo-Scottish Cup matches and both League Cup games against Chester. Joe Jakub is doing well on the road to full recovery after his leg fracture of last season and also on the mend are reserve players Rob Higgins (broken arm) and Julian Barnett (ankle injury).

Introducing.... Bolton Wanderers

WELCOME to officials, players and supporters of Bolton Wanderers Football Club on this first day of a new season.

Wanderers are one of our closest neighbours and we have had some memorable matches against them in the past. They are a club of great tradition, of course, with many top honours to their credit, including a string of triumphs in the FA Cup.

Since the war Bolton have had their ups and downs, like any club, and in the last two seasons have missed promotion back to the First Division by the most narrow margins. Perhaps they will have better luck in what promises to be an enthralling 1977-78 season in the Second Division of the Football League.

Here are some details about the squad of players who are likely to be on duty for the Wanderers this afternoon.

JIM McDONAGH (goalkeeper): Born at Rotherham, Yorkshire. He made 121 League appearances for Rotherham United and had a spell on loan to Manchester United. Signed for Bolton after a month's trial with the club and was then transferred on a permanent basis for £10,000 to replace Barry Siddall, now with Sunderland.

PETER NICHOLSON (full-back): Born at Cleator Moor. Joined Wanderers after six games for Blackpool. An outstanding full-back who enjoys moving up into attack, Peter had some fine games during the promotion drives of the last two seasons and has made about 200 first team appearances.

SAM ALLARDYCE (defender): Dudley-born Sam has come into prominence in the last couple of seasons to form a strong central defence for Bolton along with Paul Jones who is under Football Association suspension at the moment. Sam was voted Player of the Season at Burnden Park in 1975-76 season.

MIKE WALSH (defender): Manchester-born Mike has been deputising for Paul Jones during the pre-season games at centre-half although he has played most of his Second Division games at left-back. He was discovered by Wanderers in Lancashire junior football and joined the playing staff at Burnden Park on leaving school.

TONY DUNNE (left-back): Born in Dublin. Tony played for Manchester United in 415 League games, a fine record of service at Old Trafford. His many honours include a European Cup winners' medal. A great signing for Bolton, he has now made more than 100 League appearances for them. A steady, very experienced defender with over 30 appearances for Eire in full international matches behind him.

ROY GREAVES (midfield): A local product, Roy comes from Farnworth, near Bolton. He has made about 400 senior appearances for the Wanderers and has scored more than 50 goals. He had a testimonial match last year after 10 years' service to the club. A strong midfield player with a powerful shot.

RAY TRAIN (midfield): Ray joined Bolton from Sunderland on the deadline date last March. Formerly with Carlisle United, who collected a fee of £80,000 when he moved to Roker Park. Cost Bolton about £35,000 and he soon settled down into midfield.

PETER REID (midfield): Peter was one of the most successful young midfield players in the Second Division last season. Huyton-born, he was discovered in junior football and made good progress through the Wanderers' youth and reserve teams before building up his reputation in League football. Now nearing 150 League appearances for Bolton, who rightly regard him as an exceptionally good midfield schemer.

WILLIE MORGAN (winger): Scottish-born Willie began his professional career with Burnley and then joined Manchester United for a large fee in 1968. He had made approaching 190 League appearances

for the Clarets. He moved back to Turf Moor in 1975, after 238 appearances for United but after only 13 more League appearances he moved on to Burnden Park. Holder of more than 20 full Scottish international caps. Has been on loan to Chicago Stings this summer.

NEIL WHATMORE (striker): Neil comes from Ellesmere Port. A highly-rated centre-forward with a great goal flair. A one-club man, he has scored about 50 League goals in fewer than 150 appearances and is undoubtedly one of the most feared front runners in the division.

STEVE TAYLOR (striker): Born at Royton, near Oldham, Steve is yet another player who joined the staff at Burnden Park direct from junior football. Injuries to other players gave him his initial chance in the Bolton first team and he took the opportunity well. Links nicely with Whatmore and can be a very dangerous striker for any defence to handle.

PETER THOMPSON (winger): Former Preston and Liverpool veteran who has been in great form during the pre-season matches. Born at Carlisle, Peter scored 20 goals in just over 100 League matches for Preston. He scored 42 goals in 300 Liverpool appearances and won 16 England caps while an Anfield player. Has now played more than 100 games for the Wanderers.
